JUNE 2010 / Vol.19 No.6

Wow! We just took a look at this thing, right before it went to press, and man, all we can say is, we've done it again! This month your favorite mag has shaved pussy, hairy pussy, anal banging, strap-on fucked teens, cum soaked sluts, tits covered in jizz, fingerbanging, throat sex, and a girl with an eye patch. Go ahead and find her, she's there. And, no, it's not a pirate-themed movie. The chick has an eye patch. We can't say whether it was cum related or not, but we can say this: the interview with Alektra Blue is fucking hot. Man, that chick digs getting fucked in the asshole like crazy! We should have made her back up all of her talk with a little anal demo, but, we're professionals! Alright, it's time to stop reading this nonsense and get this parade of filth going already! Quit wasting your time here! Seriously! Get going! See you next time! — **The Editors**

MY SEXY SECRET!

"HOT POCKETS!"

Although my sexual roster is constantly in full swing, there are a couple of girls in town, Kristy and Kimberly, whom I have yet to bone and who look identical and are completely inseparable in *everything* they do. They both have blonde hair that hangs off their shoulders in ringlets, nice natural tits, and pussies that are supposedly the premium of poon. They are also the hardest girls to get into the sack.

But last weekend, it happened. I convinced them to come over. At first, I sat on the couch with my cock in hand and had both girls make out in front of me. Once my cock was fully extended, I snapped both fingers and demanded the girls come over and suck my cock. Kimberly went in first, while Kristy held back her blonde hair. She giggled and spat all the while, trying her best to fit her eighteen-year-old mouth around my big stick. She managed to get the head in, while Kristy came along the side to lick my shaft like a lollipop. Soon, both sets of hot mouths were licking, sucking, and stroking my cock. Meanwhile, I had my thumb plugged up Kimberly's ass while she waited for her turn to get ridden by my meat. With Kristy's spit dripping from my cock, I slipped my fat prick into Kimberly's anus. To my surprise, she was able to take every bit of my eleven inches. From there I popped my cock into and out of both sets of holes, making the girls lick off their gloss between jabs.

After making Kimberly cum, I urged both girls to lock legs in front of me and rub their cunts together while I jerked my hot load over their bodies. Eager to please me, both girls did exactly what I was told and even managed to make each other cum at the exact moment I showered the girls with my salty jizz. They happily played in my mess and swapped my sperm load from mouth to mouth, eventually swallowing the spunk whole.

Once we were done, I urged the girls to leave their panties as a souvenir. To my surprise they said, "Are you fucking kidding. We'll be back again tomorrow for round two!" **"King Dong" - Kentucky ♣**

SHOOTING STARS ALEKTRA BLUE

BIRTH DATE: June 9
BIRTH PLACE: Phoenix, Arizona
HEIGHT: 5'6" **WEIGHT:** 115 lbs.
VITAL STATS: 34D-24-35

INTERVIEWED BY: EMMA EDWARDS

Alektra Blue is a walking contradiction, mixing her rocker chic style with shrewd intelligence and grace. However hot she may be, it's her voracious appetite for hard anal sex that has separated her from the crowd, turning us all into believers. In this candid interview watch Alektra shed her angel wings and reveal what makes her hungry for horn.

Why did you choose to contract yourself to Wicked Pictures?
It all happened so fast.

I've always dreamed about being a Wicked girl but never thought they'd be interested in me. I showed up on one of their sets and told them in conversation that I wanted to shoot four boy/girl scenes a month to get more product out there. I just happened to work for them the next day after this conversation and they urged me to not do another scene because they wanted to sign me. I didn't really come to them, they came to me. I'm a part of their family now.

What are your overall goals for aligning with Wicked? Personally I'd love the opportunity to win an award for

acting in a plot-driven feature. This contract will also give me opportunity to build up my name and put me face to face with more of my fans. It's going to be a whole new world for me.

Do you plan on directing in the future?

I would love to but that is kind of a big question for me right now. With Wicked I'll be working with much bigger budgets and responsibilities. Right now I'm just going to move along with baby steps. One day my answer may be different. You'll have to track me down and ask me that again some day.

Are you a feature dancer? What are your onstage shows like?

The greatest thing about being in the business period is all of my fans. I love meeting my fans. It's great. Some of them get so nervous when they are around me. Since I've never been a stripper I take my shows as an opportunity to bond with them. I show up on stage in a cute outfit with raging rock music thumping, like Guns N'Roses, Nine Inch Nails or Marilyn Manson. I don't choreograph or plan. I figure the faster I get myself naked the better!

Do you watch porn in your private life? If so, what type

turns you on?

I don't usually watch it anymore because I know everybody and that makes it weird. If I do I get off on watching girl-on-girl sex. I love the tease, body worshipping, and all the pretty stuff.

What is your ultimate sexual fantasy?

I would love to bang the shit out of David and Victoria Beckham! I wouldn't be the girl in the corner watching them have sex instead I'd come in and dominate both of them. Those two make me so hot.

What makes you cum?

A better question would be what doesn't make me cum. Kissing gets me off, anal makes me cum really easy, penetration, clit stimulation, everything. I really don't have one particular thing that sets me off. It's everything going on all at once that I get lost in. I love it hot and heavy.

Where's the wildest place you've ever had sex off camera?

I once had sex in a night club in front of everyone. He was sitting down and I straddled his lap in reverse cowgirl, lifted up my short skirt and started to bounce around like I was dancing. We had to

finish things off in the car once people realized what we were really doing.

When did you discover you loved anal sex?

The very first time! Honestly I really didn't even realize what the guy was doing. He kind of just slipped it in and I said, "Whoa!" I think that was a much better approach because some girls tense up when they know it's about to happen. Instead, my body was so relaxed that it just felt great. It was a little shocking at first but I loved it!

Are you a size queen? Does size really matter to you?

Size does not matter to me. It's all about how you work it and the motion in your ocean. Just because a guy is packing serious meat doesn't mean he knows what to do with it. I've had some big dick guys who were horrible fucks. It's all about your technique and style.

What's the kinkiest thing that's ever been done to you?

All kinds of stuff. At this point I'm a little jaded to the word 'kinky' since so much has been done to me sexually. Well, there was a time when a boyfriend and I experimented with chocolate sauce. That was rather kinky! Other than that the basics

No toys for this twat!

ALEKTRA BLUE

are good. I love spit. I'm a big spitter!

What's the sexiest part about your body? I personally like my stomach. I do lots of sit ups that help to make it nice and tight. The idea of having someone lick my stomach makes me so excited!

Who in the industry, both male and female, have got the best pussy eating technique? Why? Hands down it would have to be Jenna Haze and her

crazy tongue. It shapes into this incredible point at its tip that allows her to dig right in. I've never experienced such a tongue before. I'd have to say that Jenna's tongue deserves to be a porn star in its' own right, separate and independent of her body! Pat Myne also sucks some amazing pussy!

Would you consider yourself to be a good fuck? Why? Yes! Who doesn't? I'm a sexually obsessed person. I love it now and will always love it. I'm able to shift my style and play according to my partner's wants and needs. I'm always into it, change it up and generally just enjoy

sex. I like to dominate females and be dominated by males.

Do you prefer fingers or toys while masturbating? (Laughing). Neither really. This is going to sound funny but the thing I prefer to use is not a toy at all but rather a back massager from Brookestone that has a great heat option. It's kind of big and I love it. Once the thing heats up, I go wild. I lay with my back on the bed; legs open and attach that sucker onto my clit. I used to use toys but had the batteries die twice right before my orgasm. I got so frustrated both times that I threw the

toy across the room. So now I'm faithful to my plug-in back massager.

Describe the hottest scene you've ever been in. Who was it with and why was it so hot? The most memorable scene that I've ever done happened a long time ago when I first got into the business. It was a wild orgy starring nine girls and three guys. It was so crazy, so much fluid. The movie was called *Outnumbered* by Red Light District. I looked so young in it because it was before my boob job. I've never had sex with so many people at one time. That was

absolutely incredible!

Who would you love to fuck? Why?
I would love to fuck Janine. She is amazing. I've pretty much fucked everybody else. Well, everybody I've wanted to fuck that is. Janine and I would tear it up. One of us would definitely leave there crazed.

Does having sex in public get you off?
Having sex in public is awesome. The spontaneity of it all is what gets me off. It's so naughty. I fuck in public for the excitement.

Who are the sexiest male and female performers

in the industry today?
Why?

Jesse Jane is a hot piece of ass as is Nikki Benz and Sandee Westgate. I love the girls with big tits and ass. Those three ladies represent the total package. I've not had sex with many male performers but Manuel Ferrara and Michael Stefano are pretty damn hot.

Do you have sexual boundaries?
Yes I do. I don't like to engage in degrading types of sexual acts like having my head shoved in a toilet or anything violent during sex. Overtly violent forms of sexual expressions are not okay with me, although

some light stuff like tapping my ass can be a real turn on.

What's your favorite nasty act?

It's all about anal sex for me! It makes me cum so hard and it also makes me feel sexy. Anal sex allows me to experience cock in an entirely different way. I can't get enough.

What's the most sensitive part of your body?

My clit. I love when people play with it and love it. I also adore when people kiss, lick and nibble on my neck. That's a very erogenous zone for me. Both are extremely sensitive. Is it better to give or

receive?
I'm a giver baby!

Do you have any advice or last words to say to your fans about how to spice up their sex lives?
Don't be afraid to experiment and bring me into your bedroom every once in a while. Pop in my interactive video and allow us all to fuck together. Also, thanks for all of your dedication and continued support. I love my fans. You all rock!

Angelina has always been an outdoorsy sort of girl and when she met Michael one day while mucking about in the park they quickly discovered that they shared similar interests sex-wise. She loves the feel of sunshine warming her nipples and kissing her ass crack whenever she takes a baloney pony out for a trot, and he enjoys breathing in the scent of fresh air and green grass while he gets his rocks off. Having oh so much in common it wasn't really all that shocking when they decided to drop trou and screw right there on the lawn. Michael knelt to kiss the taut and silky expanse of Angelina's midriff and then Angelina crouched down to smoke a bit of pole. Then after those pleasant preliminaries, it was definitely tree planting time. She straddled Michael and eased herself into a squat, sinking his spunk trunk inside her impeccable bush. They began a sensuous round of the old in and out as Angelina slowly but solidly rode him right out in the open. Flipping onto their sides and picking up the pace, Michael reached around to twiddle her tits as she inched closer to an O. When she was ready Angelina flipped onto all fours for a few deep dick thrusts in doggy and then she came with a cry that spooked the birds from their branches. Their frolic finished up with Michael squirting his seed into her mouth and both declared that it had been a damn fine day indeed. ♣

BIG BOOBS ARE COOL! 3

STARRING: Joanna Angel, Nova T.A., Roxxxie Rose, Regan Reese, Bella Vendetta, James Deen, Dane Cross, Sean Michaels, Mick Blue
DIRECTED BY: Mitch Fontaine
AVAILABLE FROM: Burning Angel Entertainment

ALTERNATIVE CHICKS / BIG TITS

Joanna Angel, and her alternative fuck friends, show off their most prized assets, namely their rocking natural tits in this offering being presented by director Mitch Fontaine. Aside from ample interview sessions, given strictly to each pair of lovely tits, Joanna and crew do their best to turn us all into big boob fanatics with good success.

Who better to lead the big boob parade than Joanna herself. As can be expected, Joanna's personality is quite infectious when she is paired with James Deen. Their chemistry is second to none, especially when James goes diggin' in the gapes in search a warm place to hide his hammer. The result is a heavy hitting anal scene that is quite raw and voyeuristic.

Next up is Regan Reese. Just like Joanna before, Regan positively puddles when smashing her 32D rack in Sean Michaels' face. He tickles, squeezes, and sucks her beautiful boobs before laying down his black pipe between her legs. The dousing of mocha froth to the teeth and tits is a very nice touch.

Nova T.A., a cool chick with a pirate eye patch and faux hawk, is up next. While trying to make a salad for Mick Blue, Nova goes a little nuts with the salad oil and ends up wearing it instead of tossing it into her vegetables. Mick is quick on her tits to lick up the dripping mess. Later he stuffs her asshole full of sausage, despite the fact that this chick is a full fledged vegetarian.

When the mess is cleaned up there,

Roxxxie Rose gets down to business with Dane Cross on a cum stained couch, in a filthy room. Despite the shabby setting, there is nothing lacking with her anal skills, which Dane takes full advantage of.

Finally, Bella Vendetta ends the movie with James Deen but not before milking out the best this performer has to offer by way of wrapping her tits around his pole.

SUMMARY: Through playful banter, comical interview sessions, and ultra shabby locations, Joanna and friends do away with high production values in lieu of no frills, hardcore fucking. Although most go anal, the common thread that binds this show together are the five sets of big natural tits that shake and shimmy for the camera. ♣

BUTT DIALED

STARRING: Kelly Devine, Diamond Fxxx, Veronica Rayne, Jayden Jaymes, Nikki Sexx, Joe Blow, Jordan Ash, Sean Michaels, Talon, Justin Magnum, Chris Strokes
DIRECTED BY: Vince Vouyer
AVAILABLE FROM: Vince Vouyer Unleashed

BIG BUTTS / GONZO SEX

Vince Vouyer certainly has the right number on speed dial in his latest production that is all about girls with juicy booties. And contrary to what the title may suggest, this is not an all-anal movie, although many of the girls do give up their assholes. What it is, however, is an incredibly well shot gonzo that

makes it a point to fill the frame with sexy butts at every turn.

Veronica Rayne is a great choice as the movie's opening act when she locks herself into the 69 position on top of Joe Blow. With an ass that simply won't quit, he bends her head over heels and sticks his plunger up her pucker. She takes it good and demonstrates why she'd likely be a fun one to fuck.

Later, when Jordan Ash's scene is cancelled, he calls on Jayden Jaymes to give him some afternoon delight. Happy to receive the call, she rushes over to suck on his cock and bounce her big ass up and down on his stick in pole position. The spit shine to the face is perfectly placed.

Another treat to look forward to is watching Diamond Fxxx open up her cougar asshole and go all anal! She begins by pulling Joe Blow out from underneath a car and taking her sweet

time when polishing his joystick.

The action really catapults to the next level once he has her gaping in reverse cowgirl and swallowing his load for the first time on camera.

Nikki Sexx is later found tackling a 'first' of her own when she takes on four guys at once. With a web of twisted bodies and plenty of cum, this girl is certainly one worth passing around.

The final scene has Kelly Devine getting ram-boned when Sean Michaels goes tinkering around her bubble butt. With an obvious penchant for dark meat, Kelly doesn't mind going in for seconds and thirds.

SUMMARY: In what is the perfect blend of tits and ass, Vince Vouyer assembles a dream cast of bottom heavy babes and unleashes them on professional poles. The result, as can be expected, is top-notch porn from start to finish. ♣

FETISH FUCKS 4

STARRING: Kristina Rose, Jayden Jaymes, Phoenix Marie, Charlotte Vale, Ava Rose, Mark Ashley, Jerry, Marco Banderas, Jordan Ash

DIRECTED BY: Van Styles

AVAILABLE FROM: Vouyer Media

BODACIOUS BUTTS / COUPLE'S SEX

In what is being dubbed "the art of the ass," director Van Styles has done porno proud by assembling top-notch chicks known just as much for their beloved butts as they are for their insatiable fuck skills. With tried and true babes like Kristina Rose and Phoenix Marie in the line-up, the sky is the limit here. All decked out in fetish inspired attire, each of the five featured women really knows

what it means to tease the camera and the lucky cocks on call.

Charlotte Vale begins the show when she is dragged up the stairs on her hands and knees by Mark Ashley. He punishes her fanny with a flurry of playful swats before making her gag on his cock and balls. Despite the shabby surroundings, think white walls and microfiber sofas, the true heat comes from Charlotte's pussy when Mark decides to go for broke up her silky slit.

Jayden Jaymes follows up that performance with one of her own when she allows Jerry to unzip her crotchless panties before sitting on his face. Her double bubble smother is incredibly hot, but it's watching her pussy stretch open in doggie that really hits the mark.

The sexy silhouette of Phoenix Marie is the perfect segue into watching her get all tangled up in her fishnet body stocking. Jordan Ash obviously agrees when

he begs her to grind and ass fuck his face. After ample tease sessions, Phoenix finally gives up her elastic asshole with incredible results.

Ava Rose, and her ever-growing ass, show up to play. Thankfully, Marco Banderas has a thing for culos gigantes, big asses, and makes great use of her impressive hambone in a myriad of great positions that really showcases the sheer size of her rump.

The best bitch of the bunch, however, is Kristina Rose. Perfectly cast along side Mark Ashley, Kristina works her hole like magic and is a fetish fucker's wet dream come true, with a dripping wet pussy to prove the point.

SUMMARY: Director Van Styles hits the mark by casting five big butt babes in a movie that delivers on choice rump roast after another. If a double helping of thick ass is what you're in the mood for, grab yourself a fork and dive in. ♣

OBSESSIONS

STARRING: Rebeca Linares, Kristina Rose, Aiden Starr, Estrella Flores, Cassandra Cruz, Savannah Stern, Mr. Pete, Ice Cold, Michael Stefano, Marco Banderas, Jerry

DIRECTED BY: Rebeca Linares

AVAILABLE FROM: Third Degree Films

LATINA LABIA / SPICY SEX

In what appears to be a mostly Latin line-up, Rebeca Linares does double duty by taking on the role of performer and director in this high-octane movie this is choked full of nasty sex from start to finish.

Savannah Stern goes straight into hardcore action when ascending down a bank of stairs looking every bit like a fetish pin-up girl. Mr. Pete seems to enjoy her kinky style, almost as much

as the hand job she gives him. Her blowjob skills also light up the screen, although it's her tight pussy that leaves a lasting impression.

After falling into the pool, Marco Banderas is pulled to safety by Estrella Flores in the next scenario. He thanks her the only way he knows how, by shoving his Spanish sword down her throat and up her pussy. At first glance, her nubile body looks much too small to contend with such a big man although in this case looks can be deceiving.

Michael Stefano later gets more than he's bargained for when Rebeca Linares surprises him with Kristina Rose and Aiden Starr. Anxious to get started, Kristina and Aiden get right down to business by sucking on his cock and each other's lips. Both girls give excellent performances, while naughty Rebeca cheers them on. Hot!

Cassandra Cruz is a sweet brunette with an absolutely fantastic body. She really shows us how much she likes cock when she gags on the one given to her to play with. After an incredible tease session, and plenty of pulled pink, Cassandra is hammered by Jerry until her pussy literally oozes with trails of cunt cream. Sticky!

Rebeca Linares seals the deal with the best scene of the movie. After a candid interview session that reveals her love of chocolate, Ice Cold is brought out to satiate her sweet tooth. She positively goes nuts for his big stick and makes it a point to tell the camera how much she loves being fucked.

SUMMARY: Rebeca Linares leads the pack with incredibly hot, gonzo style sex that is shot well and hot as hell. She and the rest of the girls really hit the mark and deliver great fucking porn. ♣

RACK IT UP 4

STARRING: Avy Scott, Jessica Moore, Shawna Lenee, Hunter Bryce, Brooke Belle, Talon, Mark Wood, Alex Gonz, Jenner

DIRECTED BY: Gregg Alan

AVAILABLE FROM: Diabolic

BIG TITS / DECENT FUCKING

In an attempt to celebrate the bounce of boobs, director Gregg Alan has mixed a solid cluster of chicks with rockin' big tits in this wall-to-wall offering. With decent lighting and multiple sexual positions for each, the show almost scores a homerun although big titty fans are right to expect more.

Covergirl Avy Scott, a performer who was on fire about five years ago is back in action and looking good. She leads the pack by squatting above the camera to pull her pussy flaps open, but sadly

doesn't play much with her tits. Right as the camera zooms into her fat nipples, Talon has her flat against her back eating her pussy. Although the coverage is ample, the camera operator seldom makes her tits the star of the show.

The same becomes apparent in the next set up, when Shawna Lenee teases the camera but never plays up her perky porn star rack. What does happen however is that Mark Wood does manage to place his frank between her chest buns in a titty fucking session that is par for the course in a big tit picture.

The hottest scene of the movie starring Jessica Moore, Alex Gonz, and Jenner is up next. Finally, we have a girl who understands the concept of the movie. She makes it a point to jiggle her jugs for the camera and really comes to life when being ridden like an amusement

park ride when the men try out all her holes at once.

Hunter Bryce, a wafer thin cougar, is also quite intense when flashing her bolt-on tits and spongy nipples to the camera. Jenner really does a stand out job of bringing out the beast in her, although most of the time she appears to be in a state of pain rather than pleasure.

The movie ends with Brooke Belle in a so-so scene that has Alex Gonz mostly hiding her tits instead of accentuating them. What's up with that?

SUMMARY: In a movie that would be best described as a basic wall-to-wall offering that happens to star girls with big boobs, big titty fans may be a bit disappointed when all the fun bags on display fail to become the premiere focus of the show. ♣

REVENGE INC.

STARRING: Jessica Drake, Kirsten Price, Krissy Lynn, Ryder Syke, Stephanie Swift, Brad Armstrong, Eric Masterson, Rocco Reed, Sascha

DIRECTED BY: Francois Clousot

AVAILABLE FROM: Wicked Pictures

ENTERTAINING FEATURE / COUPLES SEX

In a movie about a company that specializes in seeking revenge on past lovers, Jessica Drake really delivers a fine performance along side some good looking porn starlets.

Unfortunately, the movie opens with yet another scene starring Jessica Drake and Brad Armstrong. Having fucked so many times on film, there isn't anything new to see here, as their onscreen chemistry seems strictly created for the movies

alone. Her handjob and blowjob are quite nice however, although the actual fucking seems to be played out in slow motion.

When Jessica returns home, she finds that her boyfriend has taken everything. After weeks of desperate sobbing, Jessica takes to stalking her lover, which lands her in jail. While in the joint, she befriends a motley crew and relives stories with them. One of which happens when Kirsten Price catches her man cock stuck between the legs of Ryder Syke. With noticeable heat pouring off each performer, this scene is one of the best featured, especially when Ryder takes it in doggie. The pop shot to the leg is ill placed but forgivable.

As the story progresses, Jessica takes on her first client and finds Krissy Lynn wrapping her cunt around Eric Masterson. Their combined energy is solid, while the oral play is well captured with in-er-face camera work. Her ride

in doggie is also quite nice as her titties wildly sway underneath her.

Stephanie Swift is the next girl in need of Jessica's service when she discovers her man has been cheating. She gets her revenge by taking Sascha home to fuck him silly. The results are crazy good fucking and enough sexual chemistry to melt the screen. Exceptionally good stuff!

Finally, when Kirsten gets out of jail she seeks employment with Jessica's company but instead decides to toss the boss instead. With hot lesbian action, the girls go at it like feral cats in heat until both ladies are found panting.

SUMMARY: Although this movie is not classic material, there are some hot sex scenes that may serve as solid bedroom accoutrement for couples in the mood. The entertaining storyline and cast of sexy babes help to add to the overall appeal. Expectable Wicked. ♣

KAYDEN'S COLLEGE TAILS

SCHOOLGIRL SLIT SLAM!

Starring: Kayden Kross, Charley Chase, Brooke Lee Adams, Alanah Rae, Toni Ribas, James Deen, Talon, Chris Johnson, Rocco Reed
Directed By: Andre Madness
Available From: Adam & Eve Pictures

The image of sexy schoolgirls has always been a recurring favorite and constant staple in most male driven fantasies. The thought of short pleated skirts, knee-high socks, and perfectly ripe tits jutting through college sweaters or cotton blouses has enough visual impact to keep your flagpole raised and your pencil sharp. This fantasy becomes exponentially more explosive once four horny college co-eds, led by former Adam & Eve contract starlet Kayden Kross, are placed in a bustling production studio. Giggling in every corner and in various stages of dress and undress, their anticipation for cock is palpable.

With racks of sexy clothing and the aroma of peach scented lotion filling the room, the girls can't resist warming each other up with playful kisses while they wait. This is precisely the scenario I walk into when first entering the set of Andre Madness' newest skin flick for Adam & Eve Pictures called, *Kayden's College Tails*. In this wall-to-wall production, Madness has chosen to do away heavy dialogue in lieu of hot couple's sex, which proves to be a winning combination. "These girls are amazing performers and their sexual skills speak for themselves," he says while setting me up in a comfortable chair next to him to witness the first scene of the day unfold.

Our conversation is soon interrupted when Charley Chase, looking every bit like every schoolboy's fantasy, walks

for oral!

onto set. Our lust for her is obvious, as the entire room becomes silent and entranced. "Hmm, that good?" she smirks while flipping up the edges of her blue skirt to show off her amazing ass before turning back around to give us a look inside of her pink pussy flaps. As she kneels down on the couch to spread herself open in doggie, Rocco Reed appears on the set. He bum rushes Charley from behind, landing smack down in the middle of her ass. With wild slurping sounds and Charley's constant squealing, it becomes quite evident that both Rocco and Charley have a kinky addiction for anal academics. "Stick that tongue inside my asshole!" she begs, as she continues to coat his mouth with her delicious ass broth.

Once she is momentarily satiated, Charley pulls Rocco's rod from his pants and begins to salivate and suck on his stick from top to bottom. With Grade-A oral skills, Rocco has no choice but

to grab a hold of the leather sofa and take her oral workout. "You're the best fucking cocksucker ever!" he remarks, while she continues to fondle his wet balls with her webbed fingers that are dripping with saliva. "What can I say? I love to suck me some dick," she responds, while going in deeper to curve her tongue around his dangling nutsac.

Now with a noticeable puddle of pussy pulp, Charley springboards onto Rocco's lap in cowgirl position, riding him hard. Grabbing the curves of her hips, Rocco power pumps Charley from underneath, smacking the chili pepper tattoo on her ass before the couch actually breaks! When it turns out to be nothing more than a cushion malfunction, the fuckers continue on with wooden reinforcements under the metal legs to keep the sofa from skating across the floor. Now back in action and with a sturdy work surface, they are both able to cum hard, ending the scene in style. As they lay in

their sticky mess, Andre rises to his feet and says, "Can someone please give this girl a bottle of water!" Yeah, it's that hot!

Up next and eager to earn some extra credit, Kayden Kross walks onto her set looking beautifully studious in a plaid skirt and knee socks with her blonde hair neatly arranged in a perky up-do. Looking around for props to play with, Kayden settles on a stack of old books that she later poses on top of. With her legs spread wide, Kayden flashes her hairless hole in James Deen's direction. Overcome by the sight of the top-notch pussy, that he is moments away from tasting and touching, James pulls out his cock and begins to stroke it up while Kayden continues to tease.

Once given the thumbs-up by Madness, James calls out "Kayden, you are all mine!" Music to Kayden's ears, she falls onto her knees to take back all eight inches of James' stiff ruler. Masterfully manipulating his cock and

The easiest way to cram for an exam!

balls with her hands and mouth, Kayden proves to be an expert in multitasking as she continues to blow.

"You just sit back and enjoy my ride," she later responds as she pushes James onto a beige sofa to test him out in cowgirl position. With her tits bouncing in his face, James allows Kayden to control this scene for a solid ten minutes before picking her up and resting her on her back to continue on in mish. By now, her perfectly tanned body is glistening with sweat under all of the studio lights and her pussy is literally a puddle of goo. "Fuck me any way you'd like," she purrs.

"Great energy!" Madness calls out, as Kayden leans onto her elbows to watch James' cock move in and out of her. "It's so good!" she repeatedly sighs right before James sets her up in front of him and glazes her cupcakes with loads of his homemade frosting. Delicious!

Alanah Rae, the chestiest schoolgirl of the bunch, is up next. Like the two that came before, Alanah makes it quite clear that she has come here to fuck. Thankfully, Madness has cast her along side Chris Johnson, a man that clearly has the skills to help our kinky co-ed spew with lots of school spirit.

Eager to set her tits free from the confines of a tight blouse that is practically screaming at the seams, Chris yanks Alanah's top open and dredges his head between her melons. She squeezes the sides of her chest meat together, until his face turns beat red. After a few moments, he taps himself out on the row of aluminum chairs in a desperate attempt of filling his lungs with oxygen. "Suck my nipples!" she later insists, as we quickly discover that this naughty schoolgirl may not be so nice. After enough of her smack talk, Chris silences her potty mouth by plopping his cock in her mouth. "Shut up and suck!" he

commands, as she dribbles spit stringers across his shaft and over his balls.

Obviously aroused by having a cock dangling from her lips, Alanah fights for dominancy once again by parking herself on top of Chris in reverse cow-girl. With the camera inches away from the action, the lens quickly fills up with the image of Alanah's hefty hooters flopping in the wind. "You like watching me get fucked?" she feverishly mouths as Chris continues to drill her hole from underneath.

After several more positions, including an incredibly hot standing doggie display that has Alanah sinking her claws into the walls, Chris spews his spunk over her sacks and says, "You've graduated and are now the head of the class."

With such an incredibly hot scene to follow, Brooke Lee Adams certainly has some stiff saddle shoes to fill. Luckily for us, she's brought her A-game. Seemingly entranced by Talon's muscles

and hard cock, Brooke is hot on the scene before the lighting crew has even finished. "I just want to get fucked," she mouths, as the cameraman has no choice but to follow her lead.

After skipping lunch, Brooke is quick to fill up on cock meat as she practically tries to ingest Talon's claw. He grabs his cock at the base and later smacks it over her face before allowing her pussy time to play. "You'll get it... eventually," he teases, as her face begins to redden with anticipation.

After his dick has been dangled in front of her one too many times, Brooke sits on the desk on parks her leg over his shoulder. "Now!" she mouths, in a tone that means she's done fucking around. Finally, Talon answers her call of booty by slapping his cock into her silky slit. Locking her legs around his back, she grinds her collegiate cooze into his groin until the desk is saturated with her cunt

butter. "Now, this is much better," she sighs.

The two go at it, twisting into and out of interesting positions, for what seems like hours before Talon douses the fire between her legs with splashes from his hose. "Now that was a hot scene!" Madness applauds.

The day ends with Toni Ribas fucking the living daylights out of Kayden Kross. This comes as no surprise, since Toni has had a raging boner for this girl ever since he stepped foot in the studio several hours ago. "She is my exact type!" he confides, followed by, "Today should not be considered work but a privilege."

Just as horny for him as he is for her, Kayden is the first one on set. Already positioned on her knees, Toni just walks right up and shoves his stick into her mouth. With her eyes watering and her mouth dripping, Kayden polishes his

cock into a shiny luster before being swept off her feet literally to be cleaned out by his tongue. "You taste so fucking sweet," he says in his sexy Spanish accent, as chill bumps cover her perfect frame and beaver balm coats his lips.

From here on out, the two go at each other like dogs in heat, with Toni trying out Kayden's pussy from every conceivable angle. The final pop to her puss makes for the perfect ending to a fabulous day on set.

So if you're in the mood for a little extra curricular activity and wouldn't mind spraying your load over a pleated skirt or two, Kayden's College Tails is the movie for you. With four hot babes working overtime to earn top grades in the school of hard cocks, who could resist such a tempting display?

**RACHEL
& JOYCE**

Almost anyone will agree that not much else is hotter to watch than some lezzie love-making, but when the lezzies lovin' each other up are both undeniable dimes the heat setting then shoots from "smoldering" up to "scorching." When big-breasted babes Rachel and Joyce meet up to make it they look so smokin' while smoochin' that things around them just might start to melt. The fact that each of these lovelies truly appreciates the stunner status of the other is evident by the fact that neither one can keep her hands—or tongue—off of the other's orchid. Joyce likes to gently pry apart Rachel's precious petals with her lips before planting a play prick snugly in the center. Rachel chooses to lap up a little nectar from Joyce's fine flower then dig in deep with a dildo. The entwining of their lean legs and graceful arms leads to a mesmerizing mash up of mamms, their hardened nipples like polished pink stones smoothly rubbing together. First Rachel cums, then Joyce cums, then Rachel, then Joyce again and so on and so forth until the two sexy Sapphic sweethearts synch up and start cumming together in huge, toe-quivering orgasmic waves. It's an awesome sight to behold. See? ♣

NASTY STORY HOUR!

When I found out my boyfriend Grady had a collection of old school dirty novels, I was more curious than anything else. I had found the books on a shelf in his closet when I went to pull down a sweater for him. I mean, we're in our twenties, and I didn't know any guys who got their porn in that form anymore...at least, I didn't *think* I knew any. From the Internet, yes. Over their cellphones, yes. But retro style paperback books with nasty covers and printed on cheesy pages that felt as coarse as sandpaper? I asked Grady to explain.

"First we have to get naked," he said. We were sitting on his bed. "I'll read you a few pages and you'll see why I like them."

That sounded like fun, actually; kind of like a "nasty story hour." We stripped and Grady got out his collection, which he kept in an old Nike shoe box. The books were from the mid-80s, with cover photos of sleazy girls giving head to bearded guys. The models were

totally nude, and had so much pubic hair, too—gross! It was amazing to think that people really didn't know how to take care of themselves a mere twenty-five years ago.

Grady read me a chapter from a book called *Office Orgy*, about some girl named Judy giving a blowjob to a guy named Mark in an office late at night. The writing wasn't bad, and it was horny the way the writer clearly described the office atmosphere they were doing their dirty deeds in. I could see Judy and Mark fucking against the desk as soon as their boss left, and in the description of their surroundings I also saw the world just before computers became important, when people still worked on old-fashioned typewriters and had to talk on the phone to communicate or even write letters that were delivered by the actual post office.

I rubbed my pussy while Grady continued reading. My pussy was squishy and I rubbed my clit with

ELLE & AMBER

When Elle and Amber woke up this morning they found the sun streaming into their windows and birds singing. The oversexed beauties sat straight up in bed, stretched and sang out "what a perfect day for a prick-nic!" The girls were just dying to get some, neither one of them having been satisfactorily had for days. "I've got to get laid today," Elle confessed to her friend. "Me too!" answered Amber. "It's an emergency." Calls were made, blankets were packed and soon an eager Elle and anxious Amber were leading virile boy toys Chris and Jake into their favorite secluded little spot in the woods that they had long before staked out as a shag spot. Shortly after the foursome sat down and spread out it was on—clothes came off and cocks were hardened by frisky friends Elle and Amber's enthusiastic attempts to swallow those love sausages down whole. Thus began a rollicking good time for everyone involved. Elle and Chris quite cozily coupled up while Jake energetically jackhammered Amber in a vast array of fun positions. With those all beef hot dogs nestled nicely inside their fun buns both Elle and Amber breathed sighs of satiated relief. "Finally a fulfilling fuck!" moaned Elle. "Yessssss!" agreed Amber. Then the boys blew their loads into the grinning mouths of the girls and all went on their merry way.

my juices. Grady smiled to see how turned on I was getting, and he reached over to tweak one of my nipples while I kept masturbating.

Grady kept reading: " 'Oh Mark, I need your hot cock splitting me open!' cried Judy. 'What a dirty monster cock you have! Fill my whory hot pussy!'"

Finally I took the book from Grady's hands and tossed it on the floor. "It's time for you to pay attention to my whory hot pussy," I said, pulling Grady down for a long kiss while his fingers sunk into my slit. He probed deep while we licked at our tongues.

"Where do you find those filthy old books?" I said, taking Grady's cock in my hand and stroking it. I put the tip in my mouth, then let his inches slide over my tongue and down towards my throat. I kept him in my mouth while I looked up at him inquiringly. "Hmm?" I hummed, waiting for his answer.

"A dirty book store near the bus terminal," Grady said, staring at my mouth which had completely swallowed his cock. "They have a big cardboard box of the old school ones, a buck apiece. Those writers were freaks! Some of their stories were crazy!"

I slurped my way slowly off Grady's dick until his tip popped out of my lips. His shaft glistened. "Well, I like nasty story hour. It's very inspiring!"

I straddled Grady and put his cock in my pussy. He reached up and played with my tits while I began to ride his inches. I wondered how many girls in those old books got on top of their guys, or if they always took their meat in the missionary or doggie style positions. After all, things were much different then; guys still ruled. But we now live in a world where more women graduate from college than men. Wasn't that way in the 80s.

I looked down at Grady, my nasty book reader. I leaned over and fed him my nipples as I fucked him faster and faster. Yes, the world sure had changed. It was a better place for us females. But there was nothing wrong with a little spice from the past to make the present more horny!

I rode him faster and faster until Grady was totally in my control and gasping, over the nipple that was stuffed in his mouth, that he couldn't hold back anymore. "Then let it go, you pervy novel reader," I said. "Shoot that cum into my whory hot pussy!"

As he grunted out his load, I began to cum too. And I made a note to ask Grady where that dirty book store was, so I could start building my own collection!

"Literature Lover" - New York City

CLASSICAL ASS

I have always studied the piano. My hard-working immigrant parents' dream (and mine) is that I will become a concert pianist. When I won a scholarship to an important music college, my family was so happy, but I was ashamed...

Why ashamed? Because although I am a very dedicated musician, I can't hide behind my dedication to Bach or Beethoven the other side of my nature: that there are nights when I simply must become the other person I also am, a person I keep hidden from my family and friends: an ass-fucking slut.

Once a month or so, I rent a motel room on the other side of town and dress up not like a buttoned-down concert pianist-to-be, but instead like a girl out of a porno. I like to look at myself in the mirror before I go out to a club where I won't (I hope) be recognized. I adjust my short skirt, the ankle straps of my super-high heels, tease my hair just right, and make sure I have just a little too much eyeliner, mascara, and blush. I want my face and body to breathe and proclaim S-E-X!

Although I dislike contemporary pop music, the other night I took myself to a dance club where I met a rugged guy named Rafe who bought me a couple of crazy drinks with ridiculous names but very potent flavors. I never get drunk, though. I always remain clear-headed. What gets me drunk, you might say, are my dreams of someday playing Prokofiev's Third Concerto with a top orchestra. Alcohol merely gets my vagina relaxed to meet my sexual needs.

I took Rafe to my motel room, where I let him practically rip off my clothes, baring my breasts to his mouth while he rubbed his penis against my legs. I don't like to give fellatio (so I guess I could never become a porn star if the concert thing doesn't work out), but I enjoy handling a man's organ in my hands, running my manicured fingers over it (I get the special manicure only for my

nights out), and lifting up my legs and fitting his thing into my body.

Rafe was a very macho guy, which I liked. He even tore off his own clothes after he finished with mine, and then he held my ankles apart as he crammed himself inside me. He was probably one of the biggest men I've ever taken. He gave it to me fast and deep and didn't have much to say while he did it.

I played with my breasts, pulling on my nipples and even licking on them, getting him interested in putting his penis between them. He took it out of me...

Oh, why do I have such trouble writing the words "cock" or "pussy" or "fuck"—I'm such a weird prude in some ways! So let me practice now: he took his COCK out of my PUSSY

and slipped it between my TITS and FUCKED me that way. His DICK slid up to my mouth, but although he wanted me to lick it, I managed to get out of this by telling him to go back and fuck my pussy because I liked that better. He didn't debate me. Instead Rafe turned me over and put his PRICK in my CUNT for awhile, until I told him I wanted to feel it in my ASS...and I reached into my purse for some lubrication so it wouldn't be too painful.

I made a lot of happy sex noise while Rafe fucked my BUNGHOLE, screaming really, and it unnerved him, so he

reached over to the radio on the nightstand, hoping music would drown me out. But he didn't know that I had tuned the radio to a classical station earlier, and the violins of a chamber music group hardly covered my screaming. Rafe wanted to switch to another channel, but I told him to leave it. I like to hear the sounds of my "other" life while I'm getting FUCKED in my secret "sleazy" life.

Rafe slammed me and I played with my clitoris. But I couldn't have an orgasm—no, I mean CUM—until he began to shoot his dirty milk all over

my stomach. That nasty sight is what arouses me most. All I have to do is see stuff shooting over me, making me dirty like the man who shoots it, and my clit feels like it corkscrews into an orgasm! I screamed so loudly as I came that Rafe told me to keep it down so the police wouldn't show up. I told him to relax. Reaching over to the radio, I made the chamber music louder, and invited Rafe to relax awhile in my arms.

Keisha
& Matt

Keisha is a worldly woman who knows very well what it's like to be fucked properly. She holds all of her partners to an incredibly high set of standards, insisting that they perform up to par and please her in very particular ways or else she'll shove them off and send them packing. A gal as gorgeous as Keisha isn't all that interested in wasting time, not when it could be better spent doing the nasty with someone capable of making her feel real nice. Matt is by far the favored stallion in her stable and she takes him out for a ride whenever she feels like being serviced by a true stud—which is, admittedly, rather often. Muscled Matt is up for the task however, being intimately acquainted with every kissable inch of Keisha's rich, velvety skin and knowing each and every one of her pussy wetting whims backwards and forwards, inside and out. Strangely, sometimes Keisha adores it most when Matt simply teases her with his tunnel tickler, and she savors the precious moment right before he penetrates her and plunges it balls deep into her sticky sweet twat. So she insists he torments her with just the tip, brushing it lightly against her luscious labes and swollen clit until she can't stop herself from gobbling up his gravy maker. That's when Matt can let himself go and grace her face with a generous helping of man goo. ♣

TAZMIN Tazmin loves country music and White Russians. She's a cheap date though, because one makes her tipsy. She loves tanned men who work out, and she gets off on fucking in public. She told us that she had a guy on a part bench just last month. If you want to impress Tazmin in the sack, just know how to move. She's not at all concerned with the size of your pencil, but how well you can write your name. The best way to make her cum though is by licking her pussy, and she'll try it with you even if you just met. Get in line, but be early. It's first cum, first serve!

\$HOW US\$ YOUR\$!

Unlike some other mags we could mention, our readers' pics are all genuine amateurs – horny women just like you or your girl! Ladies, send us your pics – next month you could be the star of America's #1 raw sex mag!

and if you write us a letter about your latest sexploits, we'll use that too! Send us your pictures, and we'll send you a release form to sign. You could be our next amateur sex star!

BELINDA

"Not to sound conceited, but I feel that I'm a fantastic lover," Belinda told us. "Even though I'm young, I feel I'm experienced enough to know what gets a guy off. I like to explore new things and try new positions. I like both oral and anal, threesomes and public sex. My fantasy is to fuck at a party and have everyone watch. My only requirement is that you go down on me until I cum first. If you do that for me, I'll make sure you have the sexual experience of your life as I'll do anything I have to in order to make you have the same orgasm you just gave me!"

A PIC!

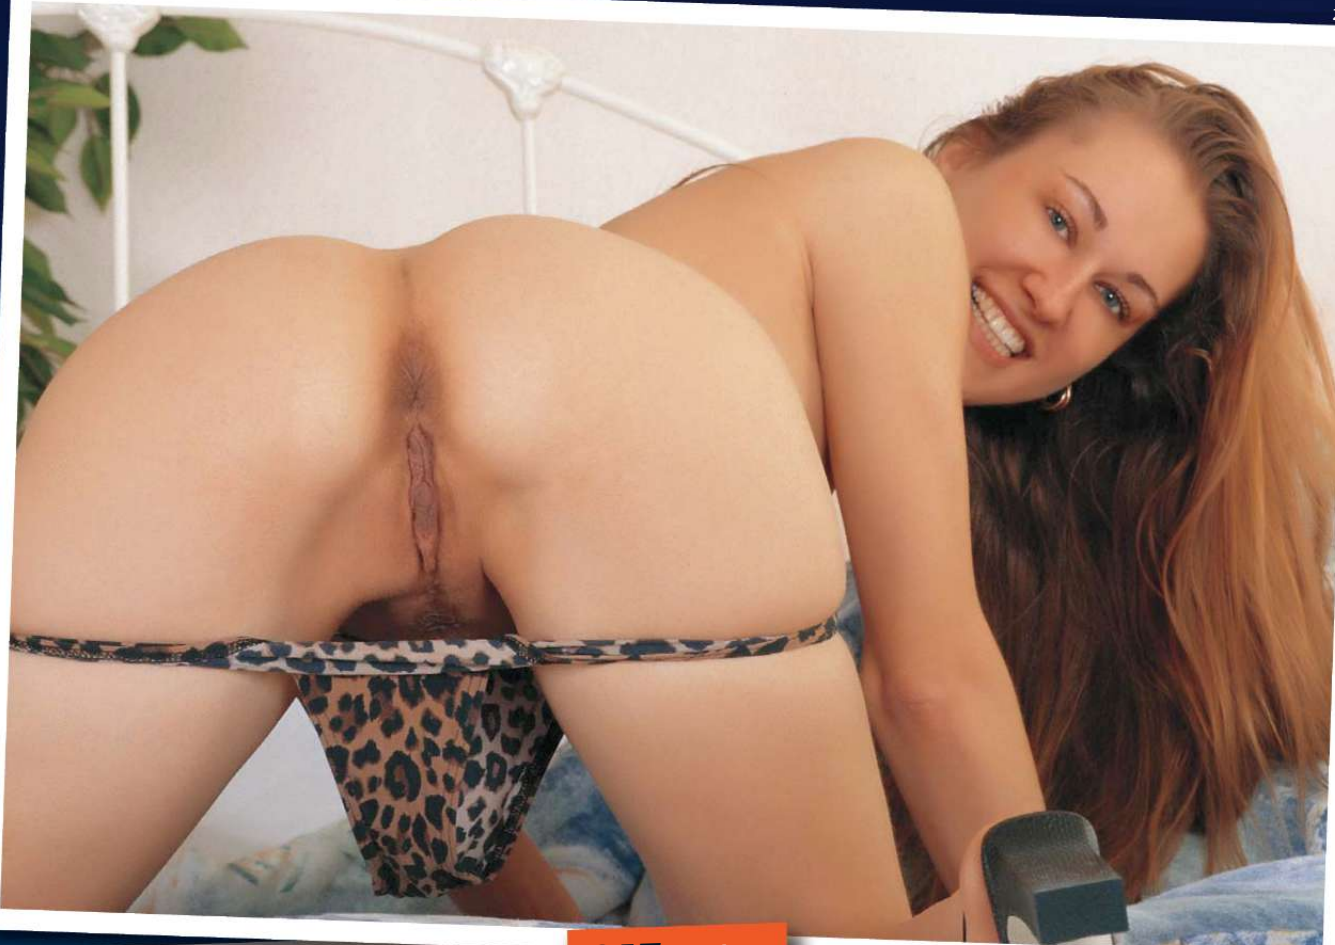

MARY While Mary likes to "make love" as much as the next girl, there's definitely a nasty, dirty, carnal side to this hottie from the Garden State, and she was more than happy to tell us just how it works. "I just love to grab a guy and make the first move. I take him and kiss him deep and hard. Move my mouth all over his body as I tear off his clothes. Grab his cock through his jeans and feel how hard it is before I take it in my mouth and suck him for all it's worth. Then I beg him to fuck me and we screw like filthy pigs for hours."

KAMY "I'm in a relationship, but it's an open one. We discussed what we wanted from each other and agreed that we both should explore what's out there. So far, it's working out great. Recently I hooked up with another guy and his girlfriend. While he fucked my ass, she went down on me. Later, she put on a strap-on and they did me in both of holes. I felt like such a dirty girl, but it was so hot. I suggested to them that maybe the four of us should get together one time. I can just imagine getting worked out by all three of them at once!"

CAT Cat has a lot to offer. She's tall, in shape, smart and loves butt sex. That's right! She actually prefers getting fucked in the ass over the dick in the pussy standard. Guys, this doesn't happen often. Usually, girls are reluctant to take it in the back door, but Cat is all for it. She decided to take it in the ass at first to protect her virginity, and just decided she likes it better. That doesn't mean she's a bad girl, it just means that she's a butt slut!

APRIL "I've been a chef for a few years, and noticed that guys get really excited when I tell them that," April told us. "They say that a man's heart is through his stomach, but I also think you can really get it through his dick, too. That's why the perfect date to me is making him a gourmet meal with a nice red wine on the side. For desert, I'd clear the table and do a strip tease up there for you. Maybe you could eat my sweetmeat to top off the great meal I just gave you."

MY SEX LIFE!

24262

"BEHIND CLOSED DOORS!"

Despite the fact that I've been married for the past eight years, I have been carrying on a torrid love affair with a hot Italian director for the past three years. Last week, after surprising me with a homemade Italian feast, I couldn't wait to spread my legs open for Alex and get right down to the dessert portion of our evening.

With my mouth still full of champagne, Alex lowered me down by the shoulders and stuck his fat cock inside my mouth. As his prick went in and out of my throat, pools of the bubbly liquid came pouring out from the corners of my lips.

Once I was satiated with my fill of choice Italian meats, Alex laid me out on the rug until my body was in the shape of a 'Y'. With my legs fully open, he scooted a pillow underneath my pelvis until my pussy and ass blossomed in front of him like one of those blooming onions you get at a steakhouse. He yanked my ass open with both hands and darted his tongue in and out of my holes. Not knowing which hole he would lick or finger next made both openings drip with anticipation. Just when I was about to scream out with ecstasy, Alex slammed his thick sausage into my asshole and silenced my calls. Once open, it didn't take but a few moments until my tight, little asshole was taking it like a big girl!

With his hands pressed into the corners of my hips, Alex fucked me hard. He set me up in front of his cock and jerked his hot load all over my lips. I gathered his delicious cream with my fingers and swallowed everything I could scoop up. After a short rest, we were hungry for more! **"Sausage Smoker" - California ♣**

LIRA & DUPREE

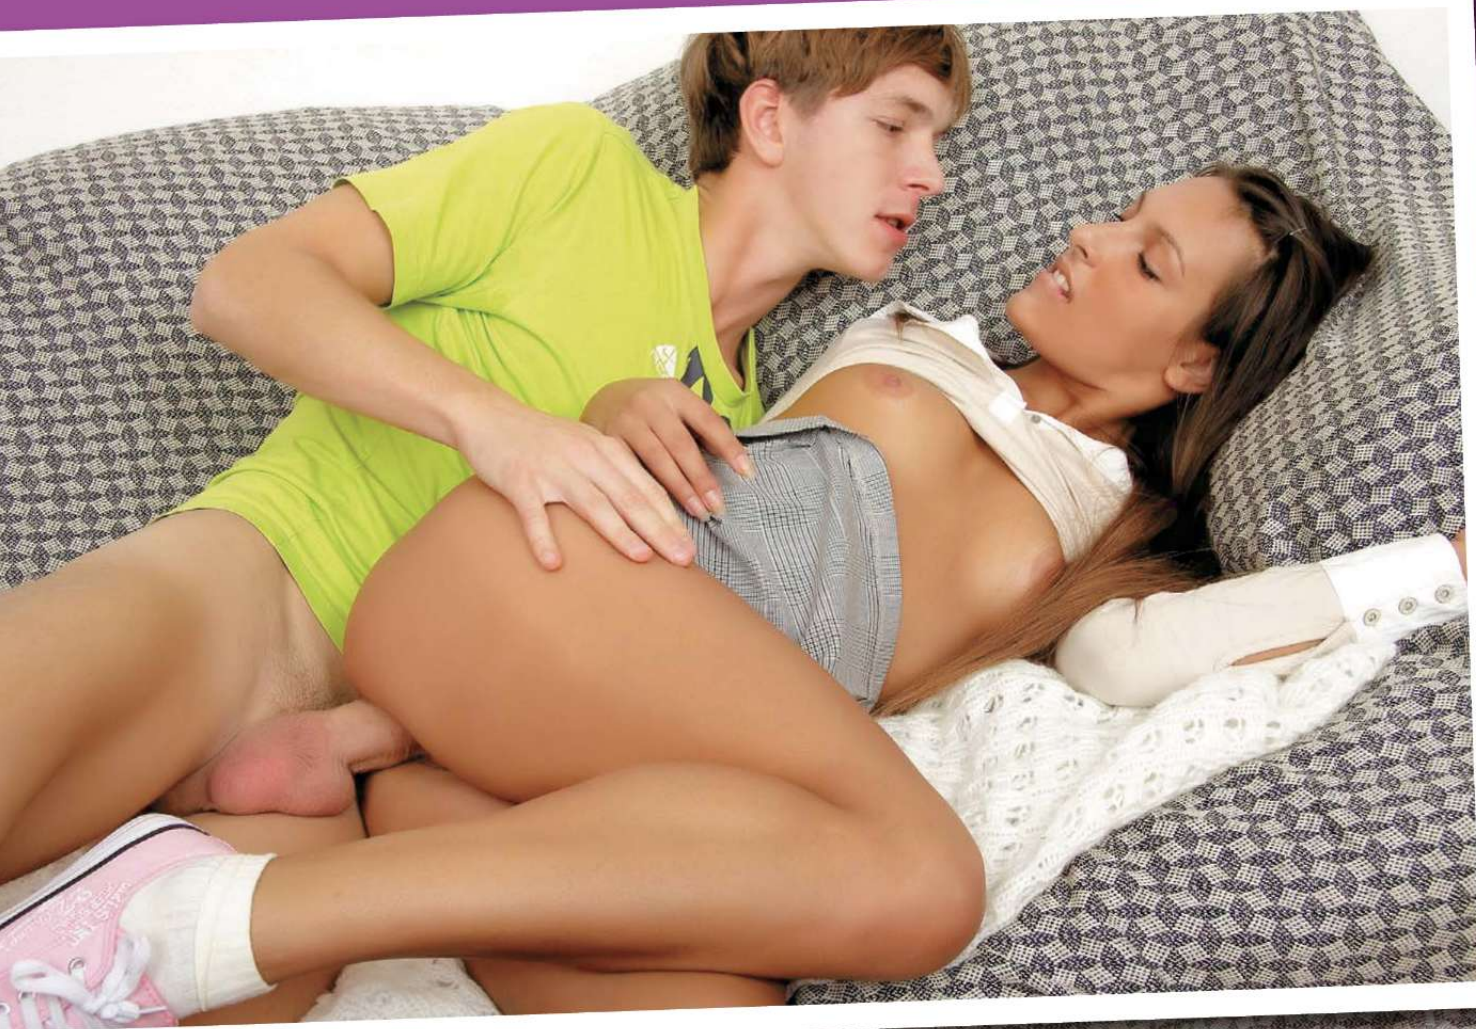

Lira was sent to an all-girl private school to finish out her senior year after she was caught celebrating her 18th birthday by blowing every member of the football team (including the head coach) in the locker room one afternoon after practice. Her parents decided to preserve what was left of her honor by shipping her off to a new school where, presumably, there would be no males lurking around to lead her astray. What they didn't realize and what Lira delightedly discovered on her very first day was that there was an all-boy school conveniently located right next door. By flashing her tits out the window during a dreadfully dull lecture Lira managed to lure Dupree over from the boy's campus to meet her. The two agreed to ditch their studies for the day so they could do it instead and settled themselves quite comfortably in Lira's room. After locking the door behind them, the two hornily humped each other for hours on end. Lira was a wild cat—bucking and writhing and working herself into a lusty lather. Dupree was impressed by her agile energy and even dildoeed her for short sweaty spells in order to give his dick a break. Then just before lights out, Lira's lover unleashed his load into her panting mouth, gave her a peck on the cheek, and parted with the promise to see her again soon. ♣
